Dear Mr. Hamil:

Plateau Resources Limited is proposing to open an underground uranium mine in Section 2 and 3, T35S, R11E, Garfield County, Utah.

It is required by the Division of Oil, Gas & Mining, State of Utah that all owner(s) of record of all other minerals within the land affected by the proposed mining operation be notified.

After checking courthouse records, we find that a 50% interest is assigned to you under Oil and Gas lease No. ML34064.

Mr. Thomas W. Blake, Mr. Thomas W. Blake, Agent and Brooks Exploration each have a 16.67% interest in the same lease.

Notification to the 50% owner, according to the Division of State Lands, is all that is necessary. We, therefore, are not notifying the other three 16.67% owners.

Sincerely,

Pam Newman
